

Trainer Certification Course Options

Each course option provides the same content in the same number of training hours. The registration fee is the same for all options and regardless of the method of training selected, each participant receives:

- 40 hours of training, divided into part 1 and Part 2*
- One complete set of Trainer-Consultant training materials
- Access to the Trainers-Only section of the OBPP website
- 12-16 hours of consultation with an Olweus Technical Assistance Consultant

In Person Trainer Certification Course

Instruction is held on consecutive days and provided in person in a large group setting. This option is ideal for those who learn best through face-to-face interaction with the instructor and classmates or for those unable to commit to attending training sessions spread out over several weeks.

Part 1

- Pre-training reading assignment
- 3 days of in person training provided by the OBPP Leadership Team

Part 2

- 2 days of in person training provided by the OBPP Leadership Team approximately 12 months after Part 1

Blended Learning Trainer Certification Course**

Allows participants the opportunity for independent study as well as in person time with an instructor. This option is ideal for people who learn best when they drive their own learning as well as those with limited ability to travel for the 5 days required for the traditional In Person Trainer Certification Course.

Part 1

- 1.5 hours live instructor led Zoom meeting prior to face-to-face training
- 5 hours of asynchronous and independent study time completed on the OBPP learning management system prior to face-to-face training
- 2 consecutive days of in-person training provided by member(s) of the OBPP Leadership Team

Part 2

- 12 months of virtual support that will begin immediately after the in-person training
 - 4 one-hour live instructor led Zoom meetings held on a quarterly basis
 - 2 hours of asynchronous and independent study each quarter

Virtual Trainer Certification Course**

Participants will learn through digital and online media with an element of control over time, place, path, and pace. Coursework is divided into segments that include independent study and instructor led online sessions. This option is ideal for people who learn best when they drive their own learning as well as those unable to travel for the blended learning or in person training options.

Part 1

- Coursework is divided into three segments delivered over a 4-week period.
 - Asynchronous and independent study completed on the OBPP learning management system
 - Five 1.5 hours live instructor led Zoom meetings

Part 2

- 12 hours of virtual training held over a 3-week time-period approximately 12 months after Part 1
 - Preliminary reading and orientation
 - Three 1.5 hours live instructor led Zoom meetings
 - 2 one-hour discussion meetings or optional online assignments
 - 2 virtual group work assignments

Please Note:

*** Part 1 and Part 2 must be completed for all Trainer Certification Course options.**

**** Participants in the Blended Learning or Virtual Trainer Certification Courses must have:**

1. A high-speed internet connection – broadband wired or wireless
2. Speakers and a microphone – built-in, USB plug-in or wireless Bluetooth
3. A webcam or HD webcam - built-in or USB plug-in
